....Seeing What Doesn't Exist Yet

MATERIAL HANDLING SOLUTION

Material lifting trolleys are versatile and efficient tools designed to streamline the process of transporting and lifting materials within industrial warehouse settings. These trolleys are equipped with sturdy frames and reliable lifting mechanisms, making them ideal for a wide range of material handling.

Features:

1. Auto / Manual lifting mechanism.
2. Customized load capacity upto 10-125kg
3. Durable construction.
4. Battery – lifePO4
5. Sliding storage guide mechanism.
6. Speed controller.
